Hart Hat Volunteers & RV'ers for Christ donate their time and talents to do construction and maintenance work at Christian camps, ministries, and churches on a volunteer basis. Generally they work alongside one to four other couples under the leadership of a Hard Hats for Christ supervisor. Usually the client ministry provides hook-ups for the RV's at no cost to the volunteer. Sometimes meals are also provided. Travel and other expenses are the responsibility of the volunteers. Do you have any reservations about the applicant(s) being involved in this type of ministry?
