Fall 2010 Newsletter

HARD HATS FOR CHRIST & CONSTRUCTION LIFE MINISTRIES

Moving Forward

Hello everyone!

Construction Catering is moving forward. Like all ministries we experience adversity every day. Yet we remain confident of the truths of God's word recorded in James 1:2-5. Now firmly rooted, our calling to reach the construction industry for Jesus, keeps us growing and moving onward as the Lord works His will to its completion through Construction Catering. We have come a long ways in such a short time. We praise God for all He has done. Thanks to your financial support we now own our Construction Catering

trucks, all operating equipment, and we are a ministry debt free!

Following endless hours of prayer and the Lord's direction we are not sending the catering truck out for the next several months until we firmly establish our base-kitchen facility plans. Our mission has not changed. As we experience daily God's engineering wonders we are all the more passionate and driven to reaching men and women for Christ.

We are still steadfast to expand this ministry by expanding, partnering and planting this ministry with Christ followers and churches nationwide to reach the construction workers "people group".

"We want to improve on how we become more of a blessing to others"

On Oct.17 we hosted a HH4C / CLM ministry fundraiser/ministry dinner. We had the great privilege of the founder of HH4C Jim Hodges to attend. With the money raised we can now move forward with our plans to complete the needed Catering truck modifications. We can now add colorful signage and a video presen-

tation display compartment to our truck.

While Jim was in Kansas City we have had a very preliminary meeting with a local Christian school and a local church who are mutually investigating the options of beginning a HH4C building project. Everyone is seeking the Lord's direction in this building project.

We are excited to inform you that there is a new evangelistic multimedia ministry campaign hitting Kansas City this fall. It is called "*I am second*". I encourage you to visit their web site www.iamsecond.com for yourself. I have personally met and spoken with their Founder Norm Miller and we are planning to advertize and utilize their videos on our truck in 2011.

www.hardhatsforchrist.org

As we have shared before we are looking forward to hosting evangelistic and discipleship jobsite opportunities in the coming year from a HH4C ministry trailer. It will be a sort of traveling Construction Church. We are still in need of folding tables, chairs, a large tent, and signage or decals to complete the unit. Your financial assistance to complete this ministry effort would be much appreciated!

We are planning to have a ministry website of some sort up and running before the 2011. This will enable us to keep everyone updated with our progress and record all God is doing here in KC.

On the personal side, Tim has never been busier than this year. He has assisted recently in 3 major family moves and remodeling projects. During one project he called HH4C office for some expert guidance using a webcam, ha, ha, ha. Laura is working at JCCC. They spend their free time with their grandchildren.

Personal Update

Lindsey & Steven moved into a starter home located in Olathe and they are all doing well.

Jeremiah returned home from his third tour of service with the Marine Corps. He and Marcie have some big news, too; they also purchased their first starter home and they are expecting a baby. Praise God, this will make our sixth grandchild! We are asking everyone to please keep Marcie in your prayers. Due to her Multiple-Scleroses she is under supervision by two doctors during her pregnancy.

We are proud to announce Erin and Cody gave birth to Carson Micah on October 1st; he brings their total to three sons. She graduated from massage tech school in July. They moved and are renting our downstairs.

Cameron, Krystal and Payton are doing well. They are planning on moving into Marcie & Jeremiah's basement apartment.

Well it is official, Jamie is an Airman in the Air Force; he graduated October 22nd. He now is headed to Sheppard AFB in Wichita Falls, TX for his training as a medical service tech.

May the will of the Lord be accomplished!

Thank you and God bless you, your family, and your work!

Tim and Laura Cupp / Kansas City Hard Hats for Christ Ambassadors / www.hardhatsforchrist.org

Tim Cupp and Lindsey Koenig of Construction Catering Ministry

Prayer Request

- Open doors & clear direction moving forward to reach American construction industry.
- Construction Catering Base-Kitchen facility completion.
- An increase in monthly financial supporters.
- Kansas City HH4C mission/construction project.
- HH4C discipleship meetings and material development.
- The "I am Second" campaign to reach the lost.
- Assistance supplying HH4C ministry trailer.

Those interested in reading the latest issue of HH4C ActionGram should go here:

<http://www.hh4c.org/action/2010-10.pdf>.

Please look it over, pray about your own involvement, and forward it to someone else who might be interested – or print it and post it on your church bulletin board!

Financial Update

Our goal is to reach out to the over 10 million construction workers on jobsites across this nation, starting in Kansas City. Please prayerfully consider joining our team of monthly partners by donating any amount on a regular monthly basis. We are praying for more churches, businesses and individuals to help us continue to disciple men and women. Any monthly amount is appreciated. We cannot do this without your monthly support.

How to give:

If you desire to be a partner in this work with a tax deductible donation please send your check payable to [Hard Hats for Christ P.O. Box 636, Kelso, WA 98626](mailto:HardHatsforChrist@hardhatsforchrist.org). You may put "Account #379" on the memo line of your check or send a separate note stating that your donation is preferenced for the ministry of Tim and Laura Cupp. Funds in that account will be available to reimburse us for expenses related to ministry activities and eventually will provide for our salary. You may also give on-line at www.hardhatsforchrist.org.

You can mail a check directly to [Construction Life Ministries \(CLM/Tim Cupp\)](mailto:ConstructionLifeMinistries@clm.org) at the following address: [25715 W.127th St. Olathe, KS. 66061. 913-207-2100](mailto:25715W127thSt@clm.org).

If you would like to assist Lindsey or help with the ministry trailer please make a note to that need and we will process it accordingly (CLM/Lindsey or trailer). All CLM donations are tax deductible.
